The Association of Chinese American Physicians (ACAP) is a non profit professional organization of Chinese American physicians and physicians that care for the Chinese community. One of ACAP's objectives is to promote quality healthcare through physician networking and professional development. Since its inception in New York in 1995, ACAP's national membership has grown to over 700 physicians, mostly from the metropolitan New York and New Jersey areas; we have chapters in Westchester, Philadelphia and Washington as well, among them, over 100 junior members are Chinese Medical Graduates (CMG) who are actively pursuing their dream to become a doctor in United States.

## Our Mission

- To foster programs that enable physicians to form a professional community in the practice of medicine.
- To provide opportunities for physicians to participate in the governance and decision-making of health care policies that affect the communities that they serve.
- To promote and develop a cooperative working relationship among physicians.
- To provide opportunities for physician education and professional development.

## WHAT WE DO

### For Physicians:

- Annual scientific convention features an outstanding CME program
- Annual gala and holiday celebrations for members, families, colleagues and friends
- Practice management meeting with focus on good business practice, retirement planning, legal / regulatory updates and etc.

### For Prospective Medical Professionals:

- Mock interview for medical graduates
- Observership at local hospitals and clinics
- Career development seminar
- Annual science fair for high school students who plan to enter biomedical fields

### For Community:

- Annual health fair features free health education, physician consultation and health screening
- Monthly educational talks at local library and senior centers.
